

Request for Bids:

Compton Creek Natural Park Phase 2

The Mountains Recreation and Conservation Authority, a local public agency exercising joint powers, is seeking bidders for the construction of the .17 acre Compton Creek Natural Park Phase 2 Project located at 941 West Cressey Street, Compton, CA. Work includes but is not limited to: site demolition, rough grading, fine grading, installation of a 2,000 square foot prefabricated maintenance operations building, utilities, fence and gate installation, paving (decomposed granite, asphalt, concrete, and misc.), planting and irrigation, and trash enclosure. At the time of bid submission, and at all times during the term of the contract, the Contractor shall hold a Class A or B Contractors license issued by the State of California. This Project is a public works Project, as defined in Labor Code Section 1720, and must be performed in accordance with the requirements of the California Labor Code. Bids must be received by 2:00 p.m. on November 14, 2016 in the main office of the Mountains Recreation and Conservation Authority at 570 West Avenue 26, "California Building", Los Angeles, CA, 90065. Bidders must register at the mandatory Bidder's conference, held at 11:00 a.m. on November 1, 2016 at the Project Address. Plans, bid forms, and specifications may be accessed through SkySite beginning October 10, 2016. Please contact Pravinder Bedi at (949) 679-0202 or pravinder.bedi@apsicm.com for project details and information.
