

**Mountains Recreation and Conservation Authority
YOUTH EMPLOYMENT PLAN
Park to Playa – Stocker Corridor Trailhead Tree Planting Project**

Background:

The Safe Neighborhood Parks Proposition of 1996 through Supervisor Mark Ridley-Thomas Office provided \$150,000.00 in Proposition A Second Supervisorial District Excess Funds to the Mountains Recreation and Conservation Authority for the Park to Playa – Stocker Corridor Trailhead Tree Planting Project.

The project consists of the planting of 72 new trees and the installation of an irrigation system at the Stocker Corridor Trailhead, a segment of the 13-mile Park to Playa Regional Trail.

Tasks that may be performed by at-risk youth:

Tree Planting

Estimated Cost of Youth Employment

Total Number of Youth to be employed: **6**

Total estimated hours of youth employment on the project: **96**

Estimated cost per hour: **\$8.45**

Total estimated cost of youth employment: **\$811.20**

Method of Youth Employment:

The Mountains Recreation and Conservation Authority will employ at-risk youth (Ages 14-24) through the Los Angeles Conservation Corps that meet the LA County Regional Park and Open Space District definition of at-risk youth on the project.
