A bid breakdown must be attached. In order for a bid to be responsive, all unit costs requested in the RFB must be quoted and correspond to bid amount.

Pursuant to, and in compliance with, the plans and/or specifications relating hereto, the undersigned contractor hereby proposes and agrees to perform, within the Contract Time stipulated, the Work, including all of its component parts; and to provide and furnish any and all labor, materials, tools, apparatus, facilities, expendable equipment and all utility and transportation services necessary or proper for, or incidental to, the complete construction, including all trades as required by, and in strict accordance with, the applicable provisions of plans and specifications in a workmanlike manner for the project located at 570 W. Ave. 26, Los Angeles, CA 90065, and acknowledges receipt of all addenda issued by the Mountains Recreation and Conservation Authority distributed prior to the date the bids were due, whether received by the undersigned.

The undersigned contractor recognizes the relations of trust and confidence that will be established between himself and the MRCA by a contract; if awarded to him, and agrees in such an event that the Drawings and other Contract Documents shall be deemed to be the "instruments of service" and that he will use the documents for the sole purpose of completion of the contract in the best and soundest manner and in the most expeditious and economical way consistent with the best interest of the MRCA.

The MRCA reserves the right to reject any and all bids, to accept other than the lowest bid, and to waive any informality in the bids.

The undersigned as bidder declares that he/she has carefully examined the location of the proposed work, that he/she has examined the Contract Documents and read the accompanying Instructions to Bidders, and hereby proposed and agrees, if the proposal is accepted, to furnish all materials and do all work required to complete the said work in accordance with the said Contract Documents in the time and manner therein prescribed for the price set forth in the following schedule. The bidder is responsible for all quantity take offs and accuracy of those calculations. The undersigned has checked all words and figures inserted in the bid submittal, and understand that the MRCA will make no allowance for any error or omission on the part of the undersigned.

I declare under the penalty of perjury under the laws of the State of California that the foregoing is true and correct.
