## MEMORANDUM

TO: The Governing Board

FROM:  Joseph T. Edmiston, FAICP, Hon. ASLA, Executive Officer

DATE: December 3, 2014

SUBJECT: **Agenda Item VI(c): Consideration of resolution authorizing a contract with the California Department of Parks and Recreation to provide public safety dispatch services.**

Staff Recommendation: That the Governing Board adopt the attached resolution authorizing a contract with the California Department of Parks and Recreation to provide public safety dispatch services in the amount of \$171,567.

Background: The existing contract with the California Department of Parks and Recreation dispatch center (SURCOM) expired July 31, 2014. SURCOM is the only entity that can provide dispatch services using our existing radio system. The use of SURCOM dispatch also facilitates coordination with the State Parks and National Park Service peace officers, improving interoperability and efficiencies within our joint areas of responsibility.

The fee structure reflected in the contract is consistent with all other public agency user groups. The new contract amount of \$171,567 is the same as the prior two-year contract, with no increase for inflation. The term will be August 1, 2014 to July 31, 2016.
