MEMORANDUM

TO: The Governing Board

FROM:  Joseph T. Edmiston, FAICP, Executive Officer

DATE: February 1, 2006

SUBJECT: **Agenda Item VI(b): Consideration of resolution assigning rights to the City of Maywood to apply to the Los Angeles County Regional Park and Open Space District for First Supervisorial District Proposition A Excess Funds for the Maywood Riverfront Park Project.**

Staff Recommendation: That the Governing Board adopt the attached resolution assigning rights to the City of Maywood to apply to the Los Angeles County Regional Park and Open Space District for First Supervisorial District Proposition A Excess Funds for the Maywood Riverfront Park Project in the amount of \$350,000.

Background: On November 29, 2005 the Board of Supervisors authorized award of Proposition A Specified Excess Funds for several projects along the Los Angeles River, its tributaries, and the San Gabriel River in Supervisorial District One. Among the projects was a \$350,000 Riverfront Park in the City of Maywood. The project is a seven-acre regional riverside park including native landscaping, picnic facilities, restrooms, basketball courts and soccer fields as well as bicycle and pedestrian access to the Los Angeles River. The attached map shows the project location and context.

District One Excess Funds can only be spent in District One. Expenditure of the subject sub-account of excess funds requires consensus between the Mountains Recreation and Conservation Authority and the subject Supervisor. The City of Maywood would enter into a Project Agreement directly with the Los Angeles County Regional Park and Open Space District and no further work would be required of MRCA staff.
