

Proposal for Vista Hermosa Gates

08/08/07

Brett Goldstone Inc. proposes to supply M.R.C.A. with 3 sets of gates for the main entrances to the Vista Hermosa School parks and gardens.

The gates shall be powder coated and installed by BGI. 2 gates will be 30 feet in total width with 20 feet sliding and 10 feet swinging. The 3rd gate will be approximately 12 feet wide and will swing in 2 leaves. Gates will be of durable construction and of an artistic design as proposed in attached drawing. Price is \$100,000.

Brett Goldstone.
