

MEMORANDUM

**To:** Primo Tapia

**From:** Hans Giraud

**Subject:** Field Recon. For Deerlake Ranch

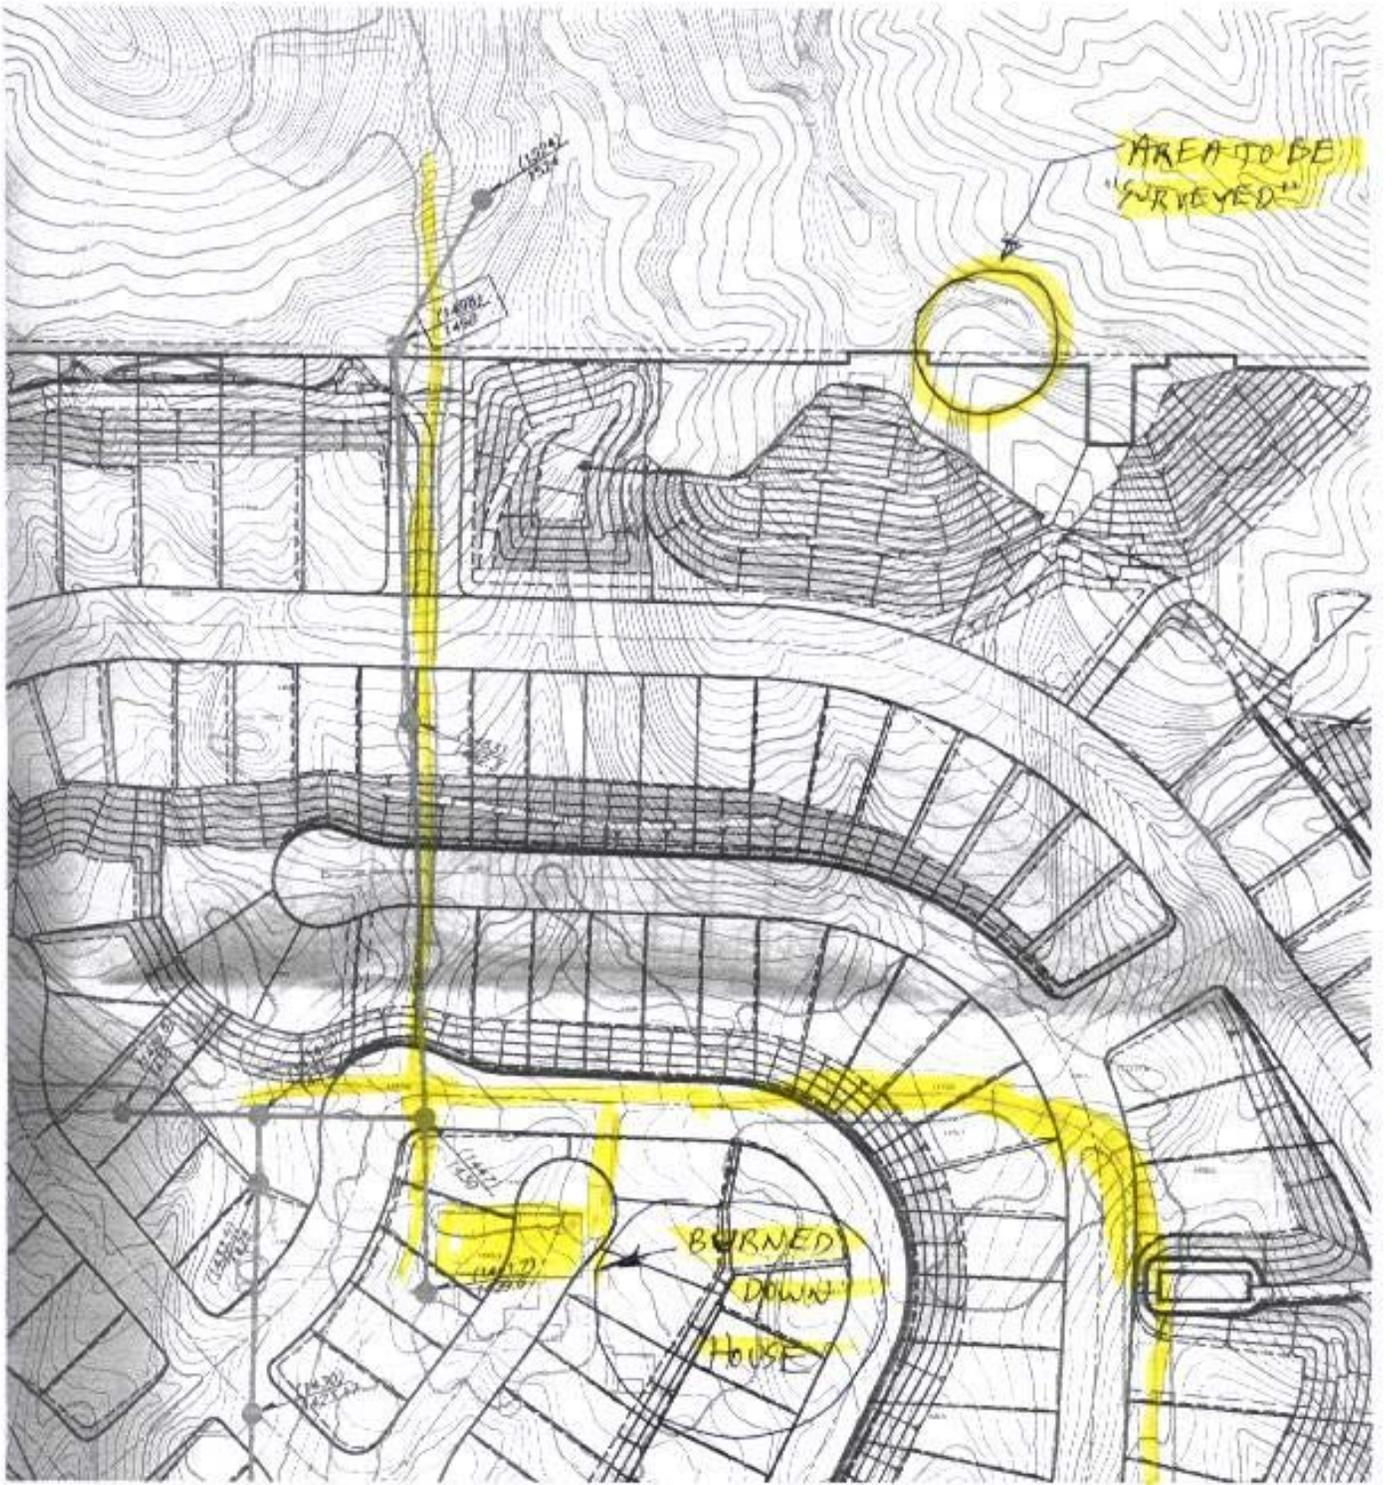

**Date:** 11-3-05

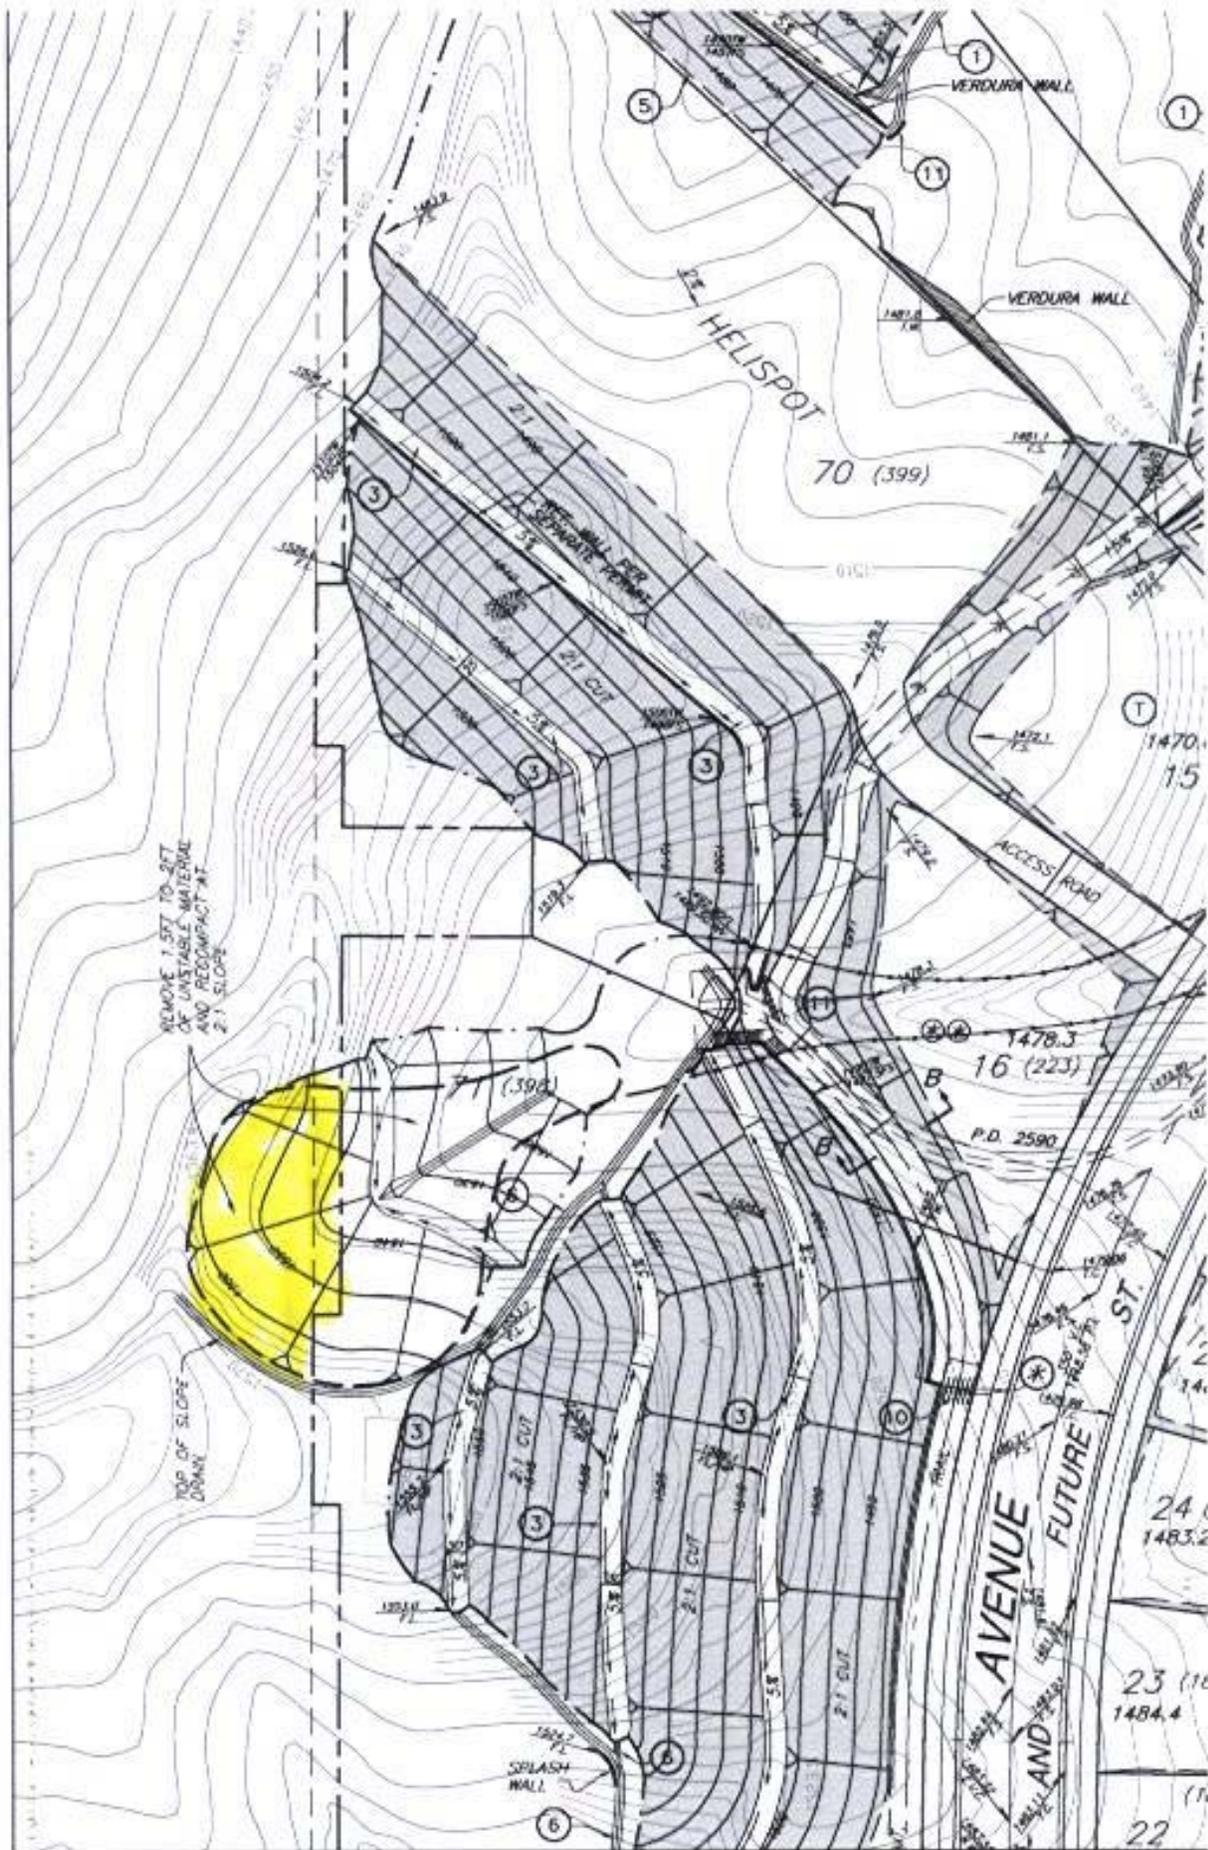

Hi Primo,

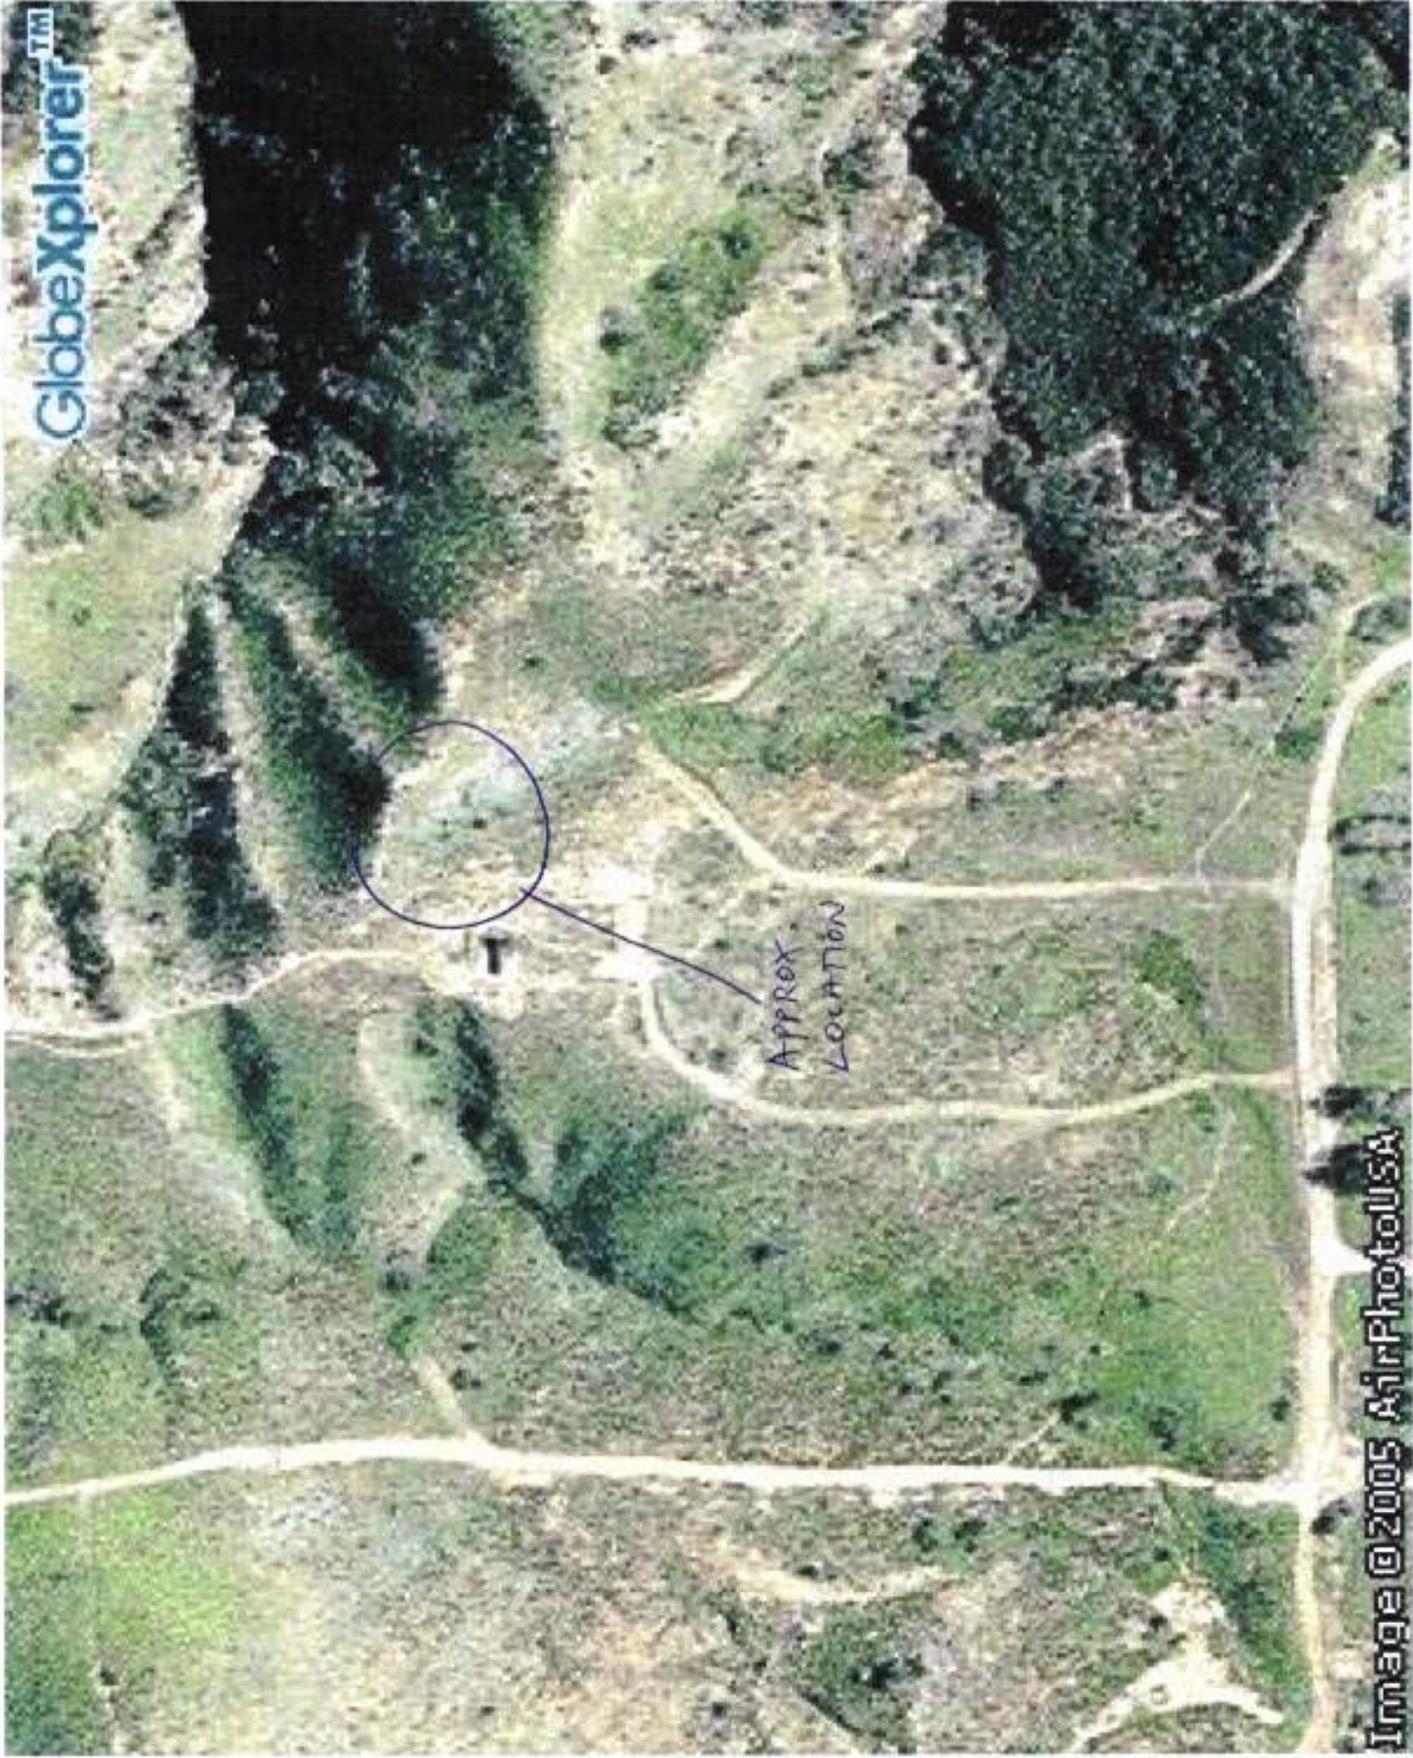

Attached are maps and photos of the small area within MRCA property on which we have to do some minor grading and restoration in order to remove loose material identified by the soils engineer. Please prepare a letter addressing the existing vegetation and proposed re-planting of this area as soon as possible.

Please let me know if you have any questions.

Hans
