MEMORANDUM

TO: The Governing Board

FROM:  Joseph T. Edmiston, FAICP, Hon. ASLA, Executive Officer

DATE: January 11, 2012

SUBJECT: **Agenda Item VII(e): Consideration of resolution authorizing acceptance of an offer to dedicate a trail easement associated with Coastal Development Permit No. 5-90-327 (Javid) and all subsequent amendments, City of Malibu.**

Staff Recommendation: That the Governing Board adopt the attached resolution accepting an offer to dedicate a trail easement associated with Coastal Development Permit No. 5-90-327 (Javid) and all subsequent amendments, City of Malibu.

Background: The California Coastal Commission ("Commission") has requested that the MRCA accept the above referenced offers to dedicate (OTD) a trail easement.

The OTD was a condition of a coastal development permit issued by the Commission within the Coastal Zone. The intent is to improve public trail access to and from public roads to the various parklands and open space in the area. This particular easement will help to ensure public access to a stretch of a trail between Pacific Coast Highway and Zuma and Trancas Canyons between Paseo Canyon Drive and Sea Star Drive in the Trancas area of Malibu.

The original OTD has been amended three times since its initial recording. This resolution, if approved, will serve to accept the OTD as amended, and will complete the dedication of the public access trail offered.

Please see attached maps for exact location.
