SUBJECT: **Agenda Item IX: Consideration of resolution authorizing entering into a Memorandum of Understanding with the National Park Service, California Department of Parks and Recreation, Santa Monica Mountains Conservancy and MRCA for preparation of the National Recreation Area trail management plan and joint EIR/EIS.**

Staff Recommendation: That the Governing Board adopt the attached resolution authorizing entering into a Memorandum of Understanding with the National Park Service, California Department of Parks and Recreation, Santa Monica Mountains Conservancy for preparation of the National Recreation Area Trail Management Plan and joint EIR/EIS.

Background: Please see attached Draft MOU. The Trail Management Plan for the Santa Monica Mountains National Recreation Area has been in preparation for a number of years, with the joint cooperation of the staffs of the National Parks Service, California Department of Parks and Recreation (State Parks), the Conservancy, and MRCA. An Environmental Impact Report and federal Environmental Impact Statement will be prepared.
