LEGISLATIVE COUNSEL'S DIGEST

AB 765, Low. Local initiative measures: submission to the voters.

Existing law permits a proposed county, municipal, or district ordinance to be submitted to the governing body of the county, city, or district by filing an initiative petition signed by a specified number of voters. If a county or municipal initiative measure qualifies for the ballot, existing law requires that the election for the measure be either at a special election or at the next statewide or regular election, depending on the percentage of signatures received on the initiative petition. If a district initiative measure qualifies for the ballot, existing law requires that the election for the measure be either at a special election or at the next regular election, depending on whether the initiative petition contains a specified request.

This bill instead would require that the election for a county, municipal, or district initiative measure that qualifies for the ballot be the next statewide or regular election, as applicable, unless the governing body of the county, city, or district calls a special election. The bill also would make conforming changes.

The people of the State of California do enact as follows:

SECTION 1. Section 1405 of the Elections Code is amended to read:

1405. (a) Except as provided in subdivision (b), the election for a county initiative that qualifies pursuant to Section 9118 shall be held at the next statewide election occurring not less than 88 days after the date of the order of election. The election for a municipal or district initiative that qualifies pursuant to Section 9215 or 9310 shall be held at the jurisdiction's next regular election

occurring not less than 88 days after the date of the order of election.

(b) The governing body of a county, city, or district may call a special election for the purpose of submitting an initiative measure to the voters before the date on which the initiative measure would appear on the ballot pursuant to subdivision (a). If the governing body calls a special election pursuant to this subdivision, the election shall be held not less than 88 days nor more than 103 days after the order of the election.

SEC. 2. Section 9111 of the Elections Code is amended to read:

9111. (a) During the circulation of the petition or before taking either action described in subdivisions (a) and (b) of Section 9118, the board of supervisors may refer the proposed initiative measure to a county agency or agencies for a report on any or all of the following:

(1) Its fiscal impact.

(2) Its effect on the internal consistency of the county's general and specific plans, including the housing element, the consistency between planning and zoning, and the limitations on county actions under Section 65008 of the Government Code and Chapters 4.2 (commencing with Section 65913) and 4.3 (commencing with Section 65915) of Division 1 of Title 7 of the Government Code.

(3) Its effect on the use of land, the impact on the availability and location of housing, and the ability of the county to meet its regional housing needs.

(4) Its impact on funding for infrastructure of all types, including, but not limited to, transportation, schools, parks, and open space. The report may also discuss whether the measure would be likely to result in increased infrastructure costs or savings, including the costs of infrastructure maintenance, to current residents and businesses.

(5) Its impact on the community's ability to attract and retain business and employment.

(6) Its impact on the uses of vacant parcels of land.

(7) Its impact on agricultural lands, open space, traffic congestion, existing business districts, and developed areas designated for revitalization.

(8) Any other matters the board of supervisors request to be in the report.

(b) The report shall be presented to the board of supervisors within the time prescribed by the board of supervisors, but no later than 30 days after the county elections official certifies to the board of supervisors the sufficiency of the petition.

SEC. 3. Section 9116 of the Elections Code is repealed.

SEC. 4. Section 9118 of the Elections Code is amended to read:

9118. (a) Adopt the ordinance, without alteration, at the regular meeting at which the certification of the petition is presented, or within 10 days after it is presented.

(8) Any other matters the legislative body requests to be in the report.

(b) The report shall be presented to the legislative body within the time prescribed by the legislative body, but no later than 30 days after the elections official certifies to the legislative body the sufficiency of the petition.

SEC. 6. Section 9214 of the Elections Code is repealed.
