MEMORANDUM

TO: The Governing Board

FROM:  Joseph T. Edmiston, FAICP, Hon. ASLA, Executive Officer

DATE: February 6, 2019

SUBJECT: **Agenda Item VI(e): Consideration of resolution entering into a contract with John Bard for food services related to outdoor education camp at Temescal Gateway Park, Pacific Palisades.**

Staff Recommendation: That the Governing Board adopt the attached resolution awarding a contract to Bard Catering for food services related to Outdoor Education Camp at Temescal Gateway Park, Pacific Palisades.

Background: In mid-February the MRCA will begin the ninth year of serving the Las Virgenes Unified School District (LVUSD) 5th grade with a 5-day, 4-night residential outdoor education camp. This year the camp has moved to Temescal Gateway Park from its traditional location at King Gillette Ranch at the request of the school district. As part of the contract from LVUSD the MRCA is obligated to serve a total of 12 meals, including 4 breakfasts, 4 lunches and 4 dinners from a menu approved by the LVUSD. The menu will include vegetarian options for participating students.

It is the staff's recommendation that food services continue to be provided by Bard Catering, which in years past demonstrated that it has the unique knowledge and experience necessary to provide these services for our camp, having provided similar services at Camp Hess Kramer in Malibu for many years. The contract will be \$150 per participant, plus tax. There is also a fee of \$800 for a specialized cleaning and operations crew to come in the week before camp to clean, repair equipment, stock inventory and generally get ready for the students. This contract will be funded out of the LVUSD contract with the MRCA.
