

KING GILLETTE RANCH

26800 W. MULHOLLAND HWY, CALABASAS

Nestled in the heart of the Santa Monica Mountains, this historic Spanish Colonial Revival mansion was built for razor magnate King C. Gillette in 1928.

The stunning mansion and surrounding structures were designed by Wallace Neff, known as the Architect of California's Golden Age. A grand eucalyptus alleé majestically welcomes all guests. Rolling lawns, formal courtyards, and a tranquil pond with bridges and swans, set the stage for an elegant occasion.

This formal courtyard and fountain is the focal point of the historic mansion. Max capacity - 150 seated guests.

The front lawns leading to the pond can be accessed directly from the courtyard.

With 588 acres of scenic parkland and formal landscaping, you can get creative with this highly customizable property. King Gillette Ranch allows you to bring in your vendors just right for your needs and budget, including caterers, entertainment and decor.

MRCA is happy to assist you in your planning, and can provide you with a list of preferred vendors who are experienced in hosting events at the ranch and know how to make it come alive with your personal touches.

Ample lawns behind KGR Mansion

The picnic gazebo offers shade for small gatherings

The 3-story Dormitory building is the perfect venue for retreats, meetings, conferences, training workshops, public forums and overnight stays.

The Dorm features an auditorium, large multi-purpose room with separate entrance, restrooms and 2 floors of overnight facilities.

The Auditorium features a full stage and drop-down screen, seating 350 guests in comfortable theatre-style seats. keynote presentations, recitals and intimate musical performances and films are all suitable activities for this room.

2 multi-purpose rooms are available for meetings, conferences, training workshops, dining for overnights and retreats. Max capacity for this larger room is 150, for the smaller meeting room below, max 20.

2 floors of dormitory sleeping facilities are available for bookings. Each floor includes communal restroom and shower facilities, and a large common room on the top floor.

The Dormitory can accommodate up to 180 guests with beds in various configurations.
