Exhibit C – Rate and Method of Apportionment of Special Tax

**MOUNTAINS RECREATION CONSERVATION AUTHORITY
Community Facilities District No. 1
(Open Space Protection and Fire Prevention)**

This document defines the rate and method of apportionment for an annual special tax (the “Special Tax”) to be collected by the Mountains Recreation and Conservation Authority (the “MRCA”) to be used to maintain, improve, acquire, protect and preserve open space, wildlife corridors, natural habitats, lands, waters, and facilities owned or managed by the MRCA.

The Special Tax, determined as shown below, may be levied annually by the Governing Board (the “Board”) of the Mountains Recreation and Conservation MRCA within the boundaries of Community Facilities District No. 1 (the “CFD”):

A. DEFINITIONS

“Developed Property” means real property with improvements for residential, commercial or other purposes.

“Fiscal Year” means the period starting July 1 and ending the following June 30.

“Non-Taxable Property” means real property not subject to property taxation.

“Undeveloped Property” means real property without improvements which is designated as vacant by the County Assessor as of July 1 of the current Fiscal Year.

B. PROPERTY CATEGORIES AND ANNUAL SPECIAL TAX RATES

Each property within the CFD shall be classified, as of July 1 of the Fiscal Year, into one of the following property uses, and the Special Tax shall be levied as set forth below:

- | | |
|--------------------------|-------------------------------|
| 1. Developed Property: | Maximum of \$24.00 per parcel |
| 2. Undeveloped Property: | No Special Tax |
| 3. Non-Taxable Property: | No Special Tax |

The Special Tax listed above shall be levied annually beginning in Fiscal Year 2013-14 for a period not to exceed 10 years.

C. LIMITATIONS

The per parcel maximum established above shall not be increased over time. The Special Tax shall not be collected after Fiscal Year 2022-2023, except for any amount that remains delinquent in subsequent years. Under no circumstances will the Special Tax levied in a Fiscal Year against any parcel be increased as a consequence of delinquency or default by the owner or owners of any other parcel or parcels within the CFD by more than 10 percent above the amount that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults.

D. COLLECTION OF THE SPECIAL TAX

The Special Tax shall be collected each Fiscal Year in the same manner and at the same time as ad valorem property taxes are collected and in the case of delinquency, shall be subject to the same penalties and lien priorities that apply to ad valorem taxes levied within the CFD. The MRCA intends that the Special Tax be included in the County Auditor's annual billing for ad valorum taxes.

E. CITIZENS' OVERSIGHT AND ACCOUNTABILITY PROVISIONS

The proceeds of the Special Tax shall be used to maintain, improve, acquire, protect and preserve open space, wildlife corridors, natural habitats, lands, waters, and facilities owned or managed by the MRCA within the CFD ("Services and Facilities"); and administrative or incidental expenses thereto, including costs for the collection and use of the Special Tax. The Services and Facilities include, but are not limited to, the protection of water quality, the reduction of the risk of wildfires, park ranger safety and security services, and the collection and accumulation of reserves for the aforementioned purposes.

The proceeds of the Special Tax shall be deposited into a fund, which shall be kept separate and apart from other funds of the MRCA. No later than January 1 of the following Fiscal Year for which the Special Tax is in effect, the MRCA shall prepare a report, for review and approval of the Board, detailing the amount of funds collected and expended, and the status of any project authorized to be funded by the Special Tax.

In addition, an advisory committee of citizens shall be appointed or designated by the Board to ensure that the Special Tax proceeds are spent for their authorized purposes, and to report annually to the Board and the public regarding the expenditure of such funds. The Board shall establish the composition and duties of the advisory committee and shall make all necessary appointments so that the advisory committee may convene within 6 months following the election authorizing the Special Tax.

F. APPEALS AND INTERPRETATION PROCEDURE

Any property owner within the CFD who believes that the portion of the Special Tax levied on the subject property is in error, may file a written appeal no later than June 30 of the Fiscal Year in which the levy occurred, with the Executive Officer or his or her designee, appealing the levy of the Special Tax on the subject property. The Executive Officer or his or her designee will promptly review the appeal, and, if necessary, meet with the applicant, and decide the merits of the appeal. If the findings of the Executive Officer or his or her designee verify that the Special Tax levied should be modified, the Special Tax levy for future Fiscal Years shall be corrected, and a credit against future Special Taxes shall be arranged, if applicable. Any dispute over the decision of the Executive Officer or his or her designee shall be referred to the Board and the decision of the Board shall be final.
