To: ALL PROSPECTIVE BIDDERS

This addendum forms a part of the contract documents and modifies the bidding documents dated February 27<sup>th</sup>, 2023, as noted below. Acknowledge receipt of the Addendum on the Base Bid Form. Failure to do so may result in the bid being deemed non-responsive.

The Addendum consists of 02 pages.

### **A. QUESTIONS FROM BIDDERS & RESPONSES**

#### **FIRST QUESTION**

Is there an expected start date for clearing parcels as well as a hard completion date?

**The prospective bidder must agree to wait and be issued a written “Notice to Proceed” issued by MRCA, which can be expected by the first or second week of May, if all paperwork is in place, including but not limited to:**

- a. Any contract over \$25,000.00 has board approval.**
- b. Contractual agreements are fully executed.**
- c. All insurance requirements have been met.**
- d. All contracts over \$15,000.00 have been registered with the Department of Industrial Relations.**

**The hard completion date will depend on how many bid items are awarded to contractor, and the acreage per property. Usually, a deadline will be by the first week of July. Again, depending on how many properties were awarded to one contractor will dictate a deadline for a hard completion date. Thus, if awarded, the start date and hard completion date will be defined in the fully executed standard agreement(s) between MRCA and awarded Contractor.**

SECOND QUESTION

Would a C-27 license be suitable to bid this project in lieu of a D61/D49?

**Yes, a C-27 will be suitable, as long as you can provide a list of references for fuel modification projects pertaining to the Los Angeles area.**

THIRD QUESTION

Can you please confirm the date for Sealed bids and where they will be publicly read?

**All sealed bids will be due Tuesday March 21<sup>st</sup>, by 2pm at King Gillette Ranch, located at 26800 Mulholland highway, Calabasas CA 91302. Sealed bids can be mailed or dropped off. (If sending; Please send to MRCA representative – “Attention Leigh Croley”). Sealed bids drop off: will be publicly read at the Anthony C. Beilenson visitor center at KGR. (Please look for a Red “Bid opening” banner).**

- B. Clarification or any other notice of a change in the bidding documents will be issued only by the OWNER, MRCA, and only in the form of a written Addendum, and uploaded to the MRCA website.
