By entering into this Agreement, Contractor acknowledges its obligations to all employees under the California

Labor Code and represents that it will comply with all requirements therein. As a condition precedent to the effectiveness of this Agreement proof of required coverage will be provided to MRCA by Contractor. In no event will the MRCA or Additional Insurers be responsible for any claims in law or equity due to the failure of the Contractor to comply with the terms of the provisions of this Section or this Agreement.

E. Primary Coverage. Any insurance required of the Contractor herein shall serve as the primary coverage for the MRCA. Any insurance policy maintained by the MRCA shall be in excess of the Contractor's insurance.

F. Notice. Each policy required herein shall contain a clause providing that written notice shall be given to the MRCA pursuant to Section 24 herein, 30 days prior to any termination, cancellation, suspension, or reduction in coverage or limits.

G. Separate Coverage. Contractor's insurance shall apply separately to each insured against whom a claim is made, or suit is filed, except with respect to the limits of insurer's liability.

This request for bids does not authorize any work, nor does it create an obligation of funds. MRCA obligates funds through issuance of separate documents. The Mountains Recreation and Conservation Authority reserves the right to reject any or all bids, waive technicalities, re-advertise, to proceed otherwise when in the best interest of the agency.

9. Rule and Laws in Effect

Bidder's attention is directed to the following factors in this project:

- a. Competitive bidding is required.
- b. Change orders must be approved.
- c. All Federal, State or other laws, orders, rules and regulations of all authorities having jurisdiction over work in the locality of the project shall apply to the contract throughout, and they will be deemed to be included in the contract the same as though herein written out in full, including compliance with the Civil Rights Acts of 1964 and Executive Order no. 11246.

10. Bid Protest Procedures

Non-responsive bidders are not entitled to refute the decision of the MRCA. A non-responsible bidder will be given the opportunity to provide written evidence and argument to refute the MRCA's decision.

- a. The bid protestor must submit a bid protest accompanied with written evidence and argument refuting the MRCA's decision by 5:00 p.m. on the fifth calendar day from the date of the Notice of Intent to Award Bid, to the address for bid submittals specified in the Request for Bids. If the bid protestor does not meet this deadline by timely submitting written evidence and argument with the bid protest, the party initially designated to receive the award will be declared as the lowest responsive and responsible bidder and MRCA will immediately award the contract to that party.
- b. In the event of receipt of a timely bid protest accompanied with written evidence and argument, the MRCA Project Manager and a committee appointed by the MRCA will consider the written evidence and argument to determine the merits of the protest and determine which party will be declared the lowest responsive and responsible bidder. The MRCA Project Manager and committee will make such determination within a reasonable time but with not more than seven (7) calendar days from the date MRCA received such evidence and argument. Thereafter, MRCA will send its Notice of Decision to the bid protestor and award the contract to the lowest responsive and responsible bidder. The right to extend any deadline as set forth in this section is within the sole discretion of the MRCA.

The undersigned has checked all words and figures inserted in the bid submittal and understand that the MRCA will make no allowance for any error or omission on the part of the undersigned.

The bidder represents and warrants that they are an equal opportunity employer, and will not discriminate with regard to race, religion, color, national origin and sex in the performance of any contract or order resulting from this bid.

By submission of this bid, the bidder certifies, and in the case of a joint offer, each party thereto certifies as to its own organization, that in connection with this procurement:

- (a) The prices in this bid have been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition as to any matter relating to such prices with any other bidder or with any competitor.
- (b) Unless otherwise required by law, the prices which have been bid herein have not knowingly been disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening of bids directly or indirectly to any other bidder or competitor; and
- (c) No attempt has been made by the bidder to induce any other person or firm to submit or not to submit a bid for the purpose of restricting competition.

The bidder represents and warrants that they, he, she, or the officers, directors, and/or employees of bidder are not related by blood or marriage to any member of the governing boards of the Santa Monica Mountains Conservancy, the Santa Monica Mountains Conservancy Advisory Committee, the Mountains Recreation and Conservation Authority, or any other joint powers authority for which the Santa Monica Mountains Conservancy is a constituent member, or to any officer, director or staff member of any of the aforesaid public agencies. "Related by blood or marriage" is defined as being a parent, child (including stepchildren), sibling, grandparent, grandchild, aunt, uncle, niece, nephew, spouse, domestic partner, father-in-law, mother-in-law, sister-in-law or brother-in-law. The MRCA reserves the right to immediately cancel any contract entered into if it discovers a breach of this warranty and representation. Bidder shall be liable for all damages sustained by the MRCA as a result of the breach.

I declare under the penalty of perjury under the laws of the State of California that the foregoing is true and correct.
