

Weekly Progress Report

4-27-2026 through 5-01-2026

Work Location: Summit to Summit and Crummer South (Los Angeles County)

APN: 2069-078-906

Overview: The goats continue to clear brush in section CS 02. A total of 14 acres were cleared this week. The goats are estimated to begin clearance in the area of Big Rock Malibu on 5/04/2026. The School of Mesivta of Greater Los Angeles has requested additional brush clearance from the herd around their area on Murea Rd. Los Angeles County Fire Department has been notified of this request and is working on funding for future herbivory treatments.
